26 the statewide high school science assessment for the first time, one  
27 high school science credit or credit that integrates science with

1 technology, engineering, or mathematics, including career and  
2 technical course equivalents or courses offered at skill centers, that  
3 is intended to increase the student's science proficiency toward  
4 meeting or exceeding the science standards assessed on the statewide  
5 high school science assessment."

6  
7 On page 7, line 11, after "28A.655.0611 and" strike "section 1 of  
8 this act" and insert "28A.655.061(4)(b)"

9  
10 Correct the title.

EFFECT: Makes the provision that allows the Classes of 2014 through 2016 to graduate without a Certificate of Academic Achievement or Certificate of Individual Achievement by taking an additional science class into an amendment to current law instead of a new section. Corrects cross-references to this provision.
